INDEPENDENT AUDITORS' REPORT

To the Mayor and City Commission
City of Abilene
Abilene, Kansas

We have audited the accompanying primary government financial statements of the City of Abilene, Kansas, as of and for the year ended December 31, 2009, as listed in the table of contents. These financial statements are the responsibility of the City of Abilene, Kansas' management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the *Kansas Municipal Audit Guide*. Those standards and guidance require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

A primary government is a legal entity or body politic and includes all funds, organizations, institutions, agencies, departments, and offices that are not legally separate. Such legally separate entities are referred to as component units. The primary government financial statements referred to above do not include the financial data of component units of the City of Abilene, Kansas, as of December 31, 2009.

As described in Note 1, the City of Abilene, Kansas has prepared these financial statements on the statutory basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The effect on the financial statements of the variances between these statutory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material. The differences between the statutory basis of accounting and accounting principles generally accepted in the United States of America are also described in Note 1.

In our opinion, because of the effects of the matter discussed in the preceding paragraph and because they do not include the financial data of component units of the City of Abilene, Kansas, the primary government financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City of Abilene, Kansas, as of December 31, 2009, or the changes in its financial position for the year then ended.

MEMBERS:

American Institute of
Certified Public Accountants

Kansas Society of Certified
Public Accountants

In our opinion, the primary government financial statements referred to above present fairly, in all material respects, the cash and unencumbered cash balances of the City of Abilene, Kansas as of December 31, 2009, and its cash receipts and expenditures, for the year then ended, on the basis of accounting described in Note 1.

Pottberg, Gassman & Hoffman, Chartered
Abilene, Kansas

CITY OF ABILENE, KANSAS
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2009

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. General Statement

The City of Abilene, Kansas (City) was chartered March 16, 1868 and operates under a Commissioner-Manager form of government and provides the following services as authorized by its charter: public works, public safety, recreation and waterworks.

The accounting and reporting policies of the City relating to the funds and account groups included in the accompanying financial statements conform to the cash basis and budget laws of the State of Kansas (statutory basis). The more significant accounting policies of the City are described below.

B. Financial Reporting Entity

The City of Abilene, Kansas is a municipal corporation governed by an elected five-member council and mayor. These financial statements present The City of Abilene, Kansas, the primary government only. A primary government is a legal entity or body politic and includes all funds, organizations, institutions, agencies, departments, and offices that are not legally separate. Such legally separate units are referred to as component units. The primary government financial statements do not include the financial data of component units of The City of Abilene, Kansas.

C. Fund Accounting

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific regulations, restrictions, or limitations. Certain funds contain restricted cash because their use is limited by debt covenants, statutory requirements, grant requirements or are held in a fiduciary or agency capacity.

The following types of funds comprise the financial activities of the City for the year of 2009:

Governmental Funds:

General Fund – The General Fund is the main operating fund of the City. This Fund is used to account for all financial resources not accounted for in other funds.

Special Revenue Funds – The Special Revenue Funds are used to account for the proceeds of specific revenue resources (other than special assessments, expendable trusts or major capital projects) that are restricted by law to expend for specified purposes.

Debt Service Funds – Debt Service funds are used to account for the accumulation of resources for, and the payment of, interest and principal on general long-term debt, and the financing of special assessments which are general obligations of the City.

Capital Project Funds – The Capital Project Funds are used to account for financial resources segregated for the acquisition of major capital facilities (other than those financed by Enterprise Funds).

CITY OF ABILENE, KANSAS
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2009

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Fund Accounting (Continued)

Proprietary Funds:

Enterprise Funds – The Enterprise Funds are used for activities which are financed and operated in a manner similar to private business enterprise where the intent of the governing body is that the costs (expenditures) of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges, or where the governing body has decided that periodic determination of revenues earned, expenses incurred, or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes. These funds include: Water Utility, Equipment Reserve – Water, Equipment Reserve – Sewer, Recycling, Wastewater Utility, and Storm Drain.

Fiduciary Funds:

Trust and Agency Funds – The Fiduciary Funds are used to account for assets held by the City in a trustee capacity or as an agent for individuals, private organizations, other governmental units and/or other funds. These include Expendable Trust Funds and Agency Funds.

D. Statutory /Basis of Accounting

The statutory basis of accounting, as used in the preparation of these statutory basis financial statements, is designed to demonstrate compliance with the cash basis and budget laws of the State of Kansas. Cash receipts are recognized when the cash balance of a fund is increased. Expenditures include disbursements, accounts payable and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments related to unperformed (executory) contracts for goods and services, and are usually evidenced by a purchase order or written contract. For an interfund transaction, a cash receipt is recorded in the fund receiving cash from another fund, and an expenditure would be charged in the fund from which the transfer is made.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the statutory basis of accounting.

E. Departure from Generally Accepted Accounting Principles

The basis of accounting described above results in financial statement presentation which shows cash receipts, expenditures, cash and unencumbered cash balances, and expenditures compared to budget. Balance Sheets that would have shown non-cash assets such as receivables, inventories and prepaid expense, liabilities such as deferred revenue and matured principal and interest payable, and reservations of the fund balance are not presented. Under accounting principles generally accepted in the United States of America, encumbrances are only recognized as a reservation of the fund balance; encumbrances outstanding at year end do not constitute expenditures or liabilities. Consequently, the expenditures as reported do not present the cost of goods and services received during the fiscal year in accordance with generally accepted accounting principles. Capital Assets that account for the land, buildings and equipment

CITY OF ABILENE, KANSAS
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2009

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. Departure from Generally Accepted Accounting Principles (Continued)

owned by the City are not presented in the financial statements. Also long-term debt such as general obligation bonds, revenue bonds, capital leases, temporary notes, and compensated absences are not presented in the financial statements.

F. Budgetary Information

Kansas statutes require that an annual operating budget be adopted for the general fund, special revenue funds (unless specifically exempted by statute), debt service funds, and enterprise funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- Preparation of the budget for the succeeding calendar year on or before August 1st.
- Publication in the local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the statutory basis of accounting, in which, revenues are recognized when cash is received and expenditures include disbursements, accounts payable and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or a contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for fiduciary funds, capital project funds, and permanent funds, and the following special revenue funds and enterprise funds.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by use of internal spending limits established by the governing body.

CITY OF ABILENE, KANSAS
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2009

2. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated 'peak periods' when required coverage is 50%. The City has no designated 'peak periods.' All deposits were legally secured at December 31, 2009.

At December 31, 2009 the carrying amount of the City's deposits, including certificates of deposit, was \$8,440,178 and the bank balance was \$8,505,588. The bank balance was held by three banks resulting in a concentration of credit risk. Of the bank balance, \$750,000 was covered by federal depository insurance; \$7,755,588 was collateralized with securities held by the pledging financial institution's agents in the City's name.

The City had no investments in 2009.

3. SPECIAL ASSESSMENTS

Projects financed in part by special assessments are financed through general obligation bonds of the City and are retired from the Bond and Interest Fund. Special assessments paid prior to the issuance of bonds are recorded as revenue in the appropriate project. Special assessments received after the issuance of bonds are recorded as revenue in the Bond and Interest Fund.

4. LEASE COMMITMENTS

During 2009, the City entered into a non-cancelable operating lease for a copier for the Convention and Visitors Bureau. For the year ended December 31, 2009, lease expenditures for the copier approximated \$1,350. The future minimum lease payments are as follows:

2010	\$ 2,967
2011	2,967
2012	1,731

CITY OF ABILENE, KANSAS
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2009

4. LEASE COMMITMENTS (CONTINUED)

In 2006, the City entered into a non-cancelable operating lease for a copier for the City offices. For the year ended December 31, 2009, lease expenditures approximated \$7,326. The future minimum lease payments are as follows:

2010	\$ 7,188
2011	3,774

5. CAPITAL PROJECTS

Capital project authorizations with approved change orders compared with cash disbursements and accounts payable from inception are as follows:

	Project Authorization	Cash Disbursements and Accounts Payable To Date
Cedar Ridge Estates	\$ 856,880	\$ 816,415
Wastewater Treatment Plant	9,624,200	9,593,064
Eastridge Estates	498,022	489,457
Dawson 4	435,127	379,660
The Highlands Addition	4,571,276	4,082,347
Library Renovation	2,194,325	1,995,582
Pool Renovation	2,276,838	2,234,424
Total at December 31, 2009	20,456,668	19,590,949

6. DEFINED BENEFIT PENSION PLAN

Plan Description. The City contributes to the Kansas Public Employees Retirement System (KPERS) and the Kansas Police and Firemen's Retirement System (KP&F). Both are cost-sharing multiple-employer defined benefit pension plans as provided by K.S.A. 74-4901, *et seq.* KPERS and KP&F provide retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS and KP&F issue a publicly available financial report that includes financial statements and required supplementary information. Those reports may be obtained by writing to KPERS (611 S Kansas, Suite 100; Topeka, KS 66603-3869) or by calling 1-888-275-5737.

Funding Policy. K.S.A. 74-4919 establishes the KPERS member-employee contribution rate at 4% of covered salary for employees hired prior to July 1, 2009 and 6% of covered salary for employees hired on or after July 1, 2009. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7% of covered salary. The employer collects and remits member-employee contributions according to the provisions of section 414(h) of the Internal Revenue Code. State law provides that the employer contribution rates be determined annually based on the results of an annual actuarial valuation. KPERS and KP&F are funded on an actuarial reserve basis. State law sets a limitation on annual increases in the contribution rates. The KPERS employer rate established for calendar year 2009 is 6.54%. The City's employer contributions to KPERS for the years ending December 31, 2009, 2008 and 2007 were \$88,004, \$59,195 and \$59,237 respectively, equal to the required contributions for each year. The KP&F employer rate established for fiscal years beginning in 2009 is 13.51%. Employers participating in KP&F also make

CITY OF ABILENE, KANSAS
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2009

6. **DEFINED BENEFIT PENSION PLAN (CONTINUED)**

contributions to amortize the liability for past service costs, if any, which is determined separately for each participating employer. The City contributions to KP&F for the years ending December 31, 2009, 2008 and 2007 were \$121,411, \$123,978, and \$115,678 respectively, equal to the required contributions for each year.

7. **OTHER POST-EMPLOYMENT BENEFITS**

As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. The City pays 50% of the premium until age 62 to retirees with 10 or more years of service and each retiree is responsible for the balance. During the year ended December 31, 2009, approximately three retirees participated in this plan and the local government paid \$6,074 in premiums for these retirees. Any remaining subsidy to retirees due to the plan's level premium structure has not been quantified in these financial statements.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the City under this program.

8. **STATUTORY COMPLIANCE**

References made herein to the statutes are not intended as interpretations of law, but are offered for consideration of the Director of Accounts and Reports and interpretation by the City Attorney.

Budget Law Compliance:

K.S.A. 79-2935 provides that it shall be unlawful for the governing body to create indebtedness in any fund in excess of the adopted budget of expenditures of such fund.

For the year ended December 31, 2009, the following special revenue funds were in violation of this statute: Tourism and Convention and Library / Pool Renovation.

9. **LONG-TERM DEBT**

Upon authorization for the issuance of general obligation bonds for certain improvements, Kansas law permits the temporary financing of such improvements by the issuance of temporary notes. Temporary notes issued may not exceed the aggregate amount of bonds authorized, must be interest bearing and have a maturity date not later than four years from the date of issuance of such temporary notes. Temporary notes outstanding are usually retired from the proceeds of the sale of general obligation bonds.

The City issued general obligation bonds in 2009 to redeem the temporary notes outstanding at December 31, 2008.

10. **CONDUIT DEBT**

From time to time, the City has issued industrial revenue bonds to provide financial assistance to the private-sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are generally payable from and secured by the project financed and if needed, additional assets or revenues of the private-sector entity serviced by the bond issuance. Upon repayment of the bonds,

CITY OF ABILENE, KANSAS
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2009

10. CONDUIT DEBT (CONTINUED)

ownership of the acquired facilities transfers to the private-sector entity served by the bond issuance. Neither the city, the State, nor any political subdivision thereof is obligated in any manner for repayment of the bonds.

Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. As of December 31, 2009, there was one industrial revenue bond outstanding. The principal amount payable at December 31, 2009 could not be determined, however, the original issue of the bond was \$1,750,000.

11. DEVELOPMENT SURETY DEPOSITS

Under City statutes, the developers of certain subdivisions are required to provide security bonds from a surety bonding company payable to the City until the improvements are completed. In lieu of the surety bond, the developer may provide a surety deposit to the City to be held until the improvements are completed and deemed acceptable. The City entered into one such deposit agreement with the developer of the Highlands Addition. In 2008, the developer provided a deposit in the amount of \$262,869 and paid up front engineering costs of \$361,865 for the project. The City will be obligated to return the deposit and reimburse the developer for the engineering costs when a specified percentage of lots are occupied or 5 years from the issuance date of the surety.

12. COMMITMENTS AND CONTINGENCIES

Construction Contracts:

At December 31, 2009, the City had pending construction project contracts. Commitments related to significant contracts include contracts for the City's capital improvements.

Risk Management

The City of Abilene, Kansas is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. To insure against risk of these types of losses, the City has purchased commercial insurance coverage. Settled claims resulting from these risks have not exceeded commercial coverage in the past three fiscal years.

13. LITIGATION

As of September 21, 2010, the City has no claims of which are expected to have a material effect on the entity.

14. INSURANCE PROCEEDS

The City received proceeds from insurance totaling approximately \$240,000 relating to a fire in November 2007 which damaged property at the City Shop. The City received the funds based on estimated costs of repairs that were performed in 2008 and 2009. The proceeds are included as cash receipts in the general fund.

17. COMPENSATED ABSENCES

The City's policy regarding vacation and leave allows employees to accumulate vacation and sick leave based on years of continuous service as follows:

Vacation Time:

Vacation leave is earned by the month. If an employee leaves the City, they are entitled to a payment of all accrued vacation pay earned prior to termination or resignation.

<u>Years of Continuous Service</u>	<u>Vacation Days Accrued (hours / year)</u>	
	<u>Regular</u>	<u>Fire Department</u>
0 – 10	80	74
10 – 20	120	111
20+	160	148

The dollar amount of accrued vacation at December 31, 2009 was \$107,377.

Sick Leave:

Sick leave is accrued at a rate of 8.0 hours per month for all employees, up to a maximum of 120 days (960 hours). Sick leave accumulated is not paid to employees except upon retirement or separation after twenty or more years of regular service, in which the employee shall receive payment for 25% of the unused sick leave – up to a maximum of one calendar month's salary.

The dollar amount of accrued sick leave at December 31, 2009 was \$25,729.

18. ABILENE RECREATION COMMISSION

The Abilene Recreation Commission amended its inter-local agreement with the City of Abilene, effective December 19, 2007. Under this agreement, the City of Abilene collects funds on the Commission's behalf and administers the funds to benefit the Abilene Parks and Recreation department recreation funds.

As of August 18, 2008, all Recreation Commission funds are being held by the City of Abilene.

19. 2008 FINANCIAL DATA

The amounts shown for 2008 in the financial statements are included where practicable, only to provide a basis for comparison with 2009, and are not intended to present all information necessary for a fair presentation in accordance with generally accepted accounting principles.

Rounding variances may also exist between amounts reported for the 2008 calendar year in these financial statements and the amounts reported in the 2008 audited financial statements. In addition, certain amounts presented in the prior year data have been reclassified in order to be consistent with current year's presentation.
